Zouden overheden een uitzondering in het auteursrecht dienen te maken voor het gebruik van auteursrechtelijk beschermd materiaal in door gebruikers gemaakte niet commerciële content?
Met die boodschap opende minister Van der Hoeven (EZ) dinsdag 26 mei 2010 het 17e 'World Conference on Information Technology' in Amsterdam. In haar toespraak gebruikte Van der Hoeven het voorbeeld van de Nederlandse Esmée Dentiers. Zij werd met een aantal covers wereldwijd bekend via YouTube. 'Sommijsje Europese

@Richard: dit is de tool achter die tool die ik noem <http://blog.stackoverflow.com>
Ze hanteren een CC licentie voor de bijdragen van iedereen, zeer goed. Maar techniek is een klein onderdeel, ik zal nadenken hoe KopieCopy en WebVids, andere projecten hierin in kunnen haken. En wat het bijdraagt aan de discussie die jij hebt gestart over UGC. Want dat laatste zou de focus moeten hebben naar mijn idee. Het moet alleen straks meer richting publiek. Cool Copyright, Cool Creation. Beeje dat idee. Samen op het web leuke dingen doen.

ik zou dolgraag een 'boekje' maken over klassiek auteursrecht op het niveau van http://wiki.creativecommons.org/Sharing_Creative_Works. Ik denk alleen dat mensen dan schrijven van het aantal verbodsborden dat we erin gaan tekelen.

BMW Augmented Reality - the extension of reality

Release 2 screws

Unclip line

The image shows two screenshots of an augmented reality application for BMW. The top screenshot shows a car's front end with a yellow AR overlay and the instruction "Release 2 screws". The bottom screenshot shows a person's hands working on a car's engine with a yellow AR overlay and the instruction "Unclip line". Both screenshots include a circular menu of icons on the right side.

The screenshot shows the S:O society website with a focus on collaborative projects. On the left, the 'myfootballclub' section features a 'Welcome to the world' message and a 'Chairman's Blog - July 2010' article. On the right, the 'LEGO Mindstorms' section displays a 'Light Sensor' project and a gallery of various LEGO builds including Indiana Jones, Star Wars, and Technic models.

Chairman's Blog - July 2010
With the first pre-season friendlies coming up next month, the squad will soon come together in preparation for the new season and the Fleet will be starting their campaign in the Blue Square Bet South League on Saturday August 14th 2010. It was a big disappointment for all last April when the team were relegated, but now it's a time to rebuild and push on for a successful season.
